

2012 Rainbow Studies at UHMC!

Stay in touch with English in a fun-filled summer camp!

Join us at Maui Language Institute (UHMC) from July 23rd – August 3rd for exciting classes full of new and dynamic ways to attack those pronunciation blues! Rainbow Studies introduces Maui and the Hawaiian culture to you in an enjoyable, informative and interactive series of seminars and excursions. Mornings focus on practical English communication skills, while afternoon classes offer preparation for each day's excursion. Afternoons include Hawaiian crafts and music, the Maui Ocean Center, a beach barbecue, and outrigger canoe paddling. Participants may sign up for mornings, afternoons or both, and may take Week One, Week Two or both. Past Rainbow Studies classes have proven so enjoyable that even local residents have signed up. Don't miss this chance to make new friends and get in touch with the local culture of our beautiful tropical island!
